EXPERIENCE

Sheen Center for Thought and Culture - New York City, NY

Production Coordinator

2023 - Present

- ❖ On-site production lead and point of contact for all events in two theatre spaces
- ❖ Crew lead on all Sheen Center events
- ❖ Maintenance and organization of all production equipment in both theatre spaces
- ❖ Coordinating advancing scheduling and production needs with off-site event personnel

Downtown Cabaret Theatre - Bridgeport, CT

Artistic Director/Playwright/Producer - MainStage Theatre

2019 - Present

- ❖ Providing artistic leadership and oversight for all DCT productions
- ❖ Producing and overseeing all artistic and production aspects of both MainStage and Theatre for Young Audiences programming
- ❖ Collaborating with Executive Producer on all casting and production personnel
- ❖ Collaborating with the creative team to execute the concept of telling the story of decades of American history through song and historic media
- ❖ Working closely with Executive Director and Production Manager to produce a high quality theatrical experience on a limited budget

Artistic Director/Playwright - Theatre for Young Audiences

2016 - Present

- ❖ Writing and conceptualizing accessible and inclusive theatre for young audiences and families in the Connecticut community
- ❖ Facilitating and developing new show concepts consistent with the DCT brand
- ❖ Creative oversight on all artistic and production aspects of the Theatre for Young Audiences programming
- ❖ Working closely with creative, administrative, and production teams in all phases of production including casting, design meetings, rehearsals, tech, and performances.
- ❖ Supervising and advising all production staff including director, musical director, designers, stage manager, cast, and crew.

Playwright/Producer - Theatre for Young Audiences

2014 - Present

- ❖ Writing and producing original adaptations of popular fairy tales for an audience of children and families in Southern Connecticut.
- ❖ Coordinating and running all production and design meetings
- ❖ Scheduling and communicating each phase of production including auditions, meetings, rehearsals, regular and special performances.
- ❖ Interviewing, hiring, and supervising all production positions.
- ❖ Running administrative arm of each production including contracts, budgets, conflict management

Production Stage Manager

2007 - 2014

- ❖ Organizing and running all rehearsals and performances
- ❖ Communicating production updates to all departments
- ❖ Writing and distributing all production reports and coordinating changes
